

CHORUS:

Jack of Diamonds ,whoa Jack of Diamonds
Jack of Diamonds is a hard card to play

Well I played him in the Spring and I never won a doggone thing
Jack of Diamonds is a hard card to play
Yeah I played him in the Fall and I never won at all
Jack of Diamonds is a hard card to play

I played the Jack against the deuce tried to fade but it wasn't no use...
I bet the Jack against the trey tried to win but it wasn't no way...

I bet the Jack against the 5 gonna gamble till I die...
I bet the Jack against the six and that left me in a terrible fix...

I bet the Jack against the Queen trying to turn my money green...
I bet the Jack against the King and that made the dealer sing...

I bet the Jack against the ace and stavation stared me in the face...

Well I told you last week just about as plain as a man can speak
'Gonna send it to you momma next payday
